

Privacy Policy

Effective date: January 23, 2018

Our Privacy Policy explains how we collect, use, share and protect information in relation to our mobile services, web site, and any software provided on or in connection with NeuroGate services (collectively, the "**Service**"), and your choices about the collection and use of your information.

Our Policy applies to all visitors, users, and others who access the Service ("**Users**").

1. INFORMATION WE COLLECT

We collect the following types of information.

Information you provide us directly:

- Your password and e-mail address when you register for a NeuroGate account.
- Profile information that you provide for your user profile (e.g., first and last name).
- Communications between you and NeuroGate. For example, we may send you Service-related emails (e.g., account verification, changes/updates to features of the Service, technical and security notices). Note that you may not opt out of Service-related e-mails.

Analytics information:

- We use third-party analytics tools to help us measure traffic and usage trends for the Service. We collect and use this analytics information with analytics information from other Users so that it cannot reasonably be used to identify any particular individual User.

Cookies and similar technologies:

- When you visit the Service, we may use cookies and similar technologies like pixels, web beacons, and local storage to collect information about how you use Stride and provide features to you.

2. HOW WE USE YOUR INFORMATION

In addition to some of the specific uses of information we describe in this Privacy Policy, we may use information that we receive to:

- help you efficiently access your information after you sign in
- remember information so you will not have to re-enter it during your visit or the next time you visit the Service;
- provide, improve, test, and monitor the effectiveness of our Service
- develop and test new products and features
- monitor metrics such as total number of visitors, traffic, and demographic patterns
- diagnose or fix technology problems
- automatically update the Stride application on your device

3. HOW WE STORE YOUR INFORMATION

Storage and Processing:

- Your information collected through the Service may be stored and processed in the Canada or any other country in which NeuroGate, its Affiliates or Service Providers maintain facilities.
- NeuroGate, its Affiliates, or Service Providers may transfer information that we collect about you, including personal information across borders and from your country or jurisdiction to other countries or jurisdictions around the world.
- By registering for and using the Service you consent to the transfer of information to Canada or to any other country in which NeuroGate, its Affiliates or Service Providers maintain facilities and the use and disclosure of information about you as described in this Privacy Policy.
- We use commercially reasonable safeguards to help keep the information collected through the Service secure and take reasonable steps (such as requesting a unique password) to verify your identity before granting you access to your account. However, NeuroGate cannot ensure the security

of any information you transmit to NeuroGate or guarantee that information on the Service may not be accessed, disclosed, altered, or destroyed.

- Please do your part to help us. You are responsible for maintaining the secrecy of your unique password and account information, and for controlling access to emails between you and NeuroGate, at all times.

4. OTHER WEB SITES AND SERVICES

We are not responsible for the practices employed by any websites or services linked to or from our Service, including the information or content contained within them. Please remember that when you use a link to go from our Service to another website or service, our Privacy Policy does not apply to those third-party websites or services. Your browsing and interaction on any third-party website or service, including those that have a link on our website, are subject to that third party's own rules and policies. In addition, you agree that we are not responsible and do not have control over any third-parties that you authorize to access your User Content. If you are using a third-party website or service and you allow them to access your User Content you do so at your own risk.

5. HOW TO CONTACT US

If you have any questions about this Privacy Policy or the Service, please find the appropriate customer help email at www.neurogate.ca.

6. CHANGES TO OUR PRIVACY POLICY

NeuroGate may modify or update this Privacy Policy from time to time, so please review it periodically. We may provide you additional forms of notice of modifications or updates as appropriate under the circumstances. Your continued use of NeuroGate or the Service after any modification to this Privacy Policy will constitute your acceptance of such modification.
